

LANGUAGE ARTS 7B

This course incorporates grammar and literature with basic skill areas such as: reading, science, spelling and social studies. The activities encourage critical thinking and the development of comprehension skills.

Unit 6 – The Diary

A diary is provided for the student. The students are encouraged to write entries in their diaries everyday. Although suggested writing topics are provided, the diary can consist of any personal thoughts.

Unit 7 – Spelling

This unit includes the study of common and proper nouns, plural and possessive nouns, subjects and predicates, pronouns, prepositions, verbs, irregular and helping verbs, and making subjects and verbs agree, along with spelling words.

Unit 8 – Capitalization and Punctuation

This unit is devoted to capitalization and punctuation – including periods, question marks, exclamations, commas, quotations marks, and apostrophes. It also includes selections on secret codes and the Navajo Code Talkers.

Unit 9 – Analogies, Synonyms, Antonyms, Homonyms

This unit is devoted to analogy, synonyms, antonyms, and homonyms. It also includes selections on Japanese interment camps in the United States during World War II.

Unit 10 – Subjects and Predicates

This unit is devoted to subjects and predicates, subject-verb agreement, sentences, conjunctions, compound sentences, sentence errors, proofreading, paragraphs, and the student will be asked to write a story.
